CD \ DVD \ DUPLICATIONS

Footprint Productions is a boutique production house located in Frenchs Forest. We cater for clients of all sizes and needs, providing professional service with exceptionally fast turn-around time.

One of our specialities are short run CD and DVD duplication. We are fully equipped to provide an on demand duplication service which can include direct-on-disc printing of various quality and packaging into cases.

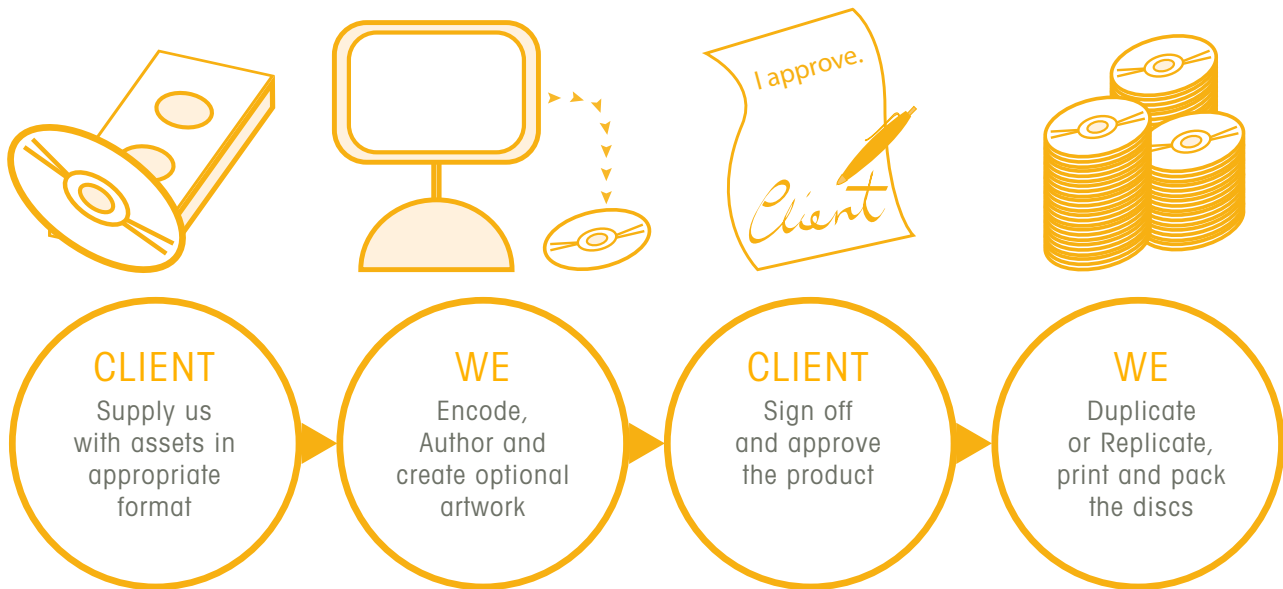

FOOTPRINT PRODUCTIONS \ OTHER SERVICES

Other services that we offer are replication of large-run CD and DVD, DVD authoring, interactive media, filming, editing, graphic design, script writing and more. For further information on what we can do and samples of our work please click on the web link www productions.net.au or call 02 9402 1969.

CD \ DVD \ HELPING HAND

We have tried to make it as easy as possible for you to find out and understand the prices of our duplication products. In doing this we have included a guide of the CD and DVD duplication process explaining the different steps along the way, a photographic reference to printing and packaging options and finally a price list. If you do have any further questions please do call us so we can help you out.

CD \ DVD \ DUPLICATION PROCESS

WHAT TO SUPPLY US

You supply us with your production in an appropriate format. If you wish you can supply us your own artwork, or our in-house designers can create it for you.

FORMATS

The format is the kind of tape/source you supply us, for us to create the CD/DVD's. We accept MINI DV, DV-CAM, DIGI-BETA, BETA-SP, BETA-IMX, HI-8, VIDEO-8, VHS and VHS-C in PAL and NTSC

ENCODE

Converting any assets to the applicable format being DVD/CD

AUTHOR

Creating the interactivity of the DVD/CD such as menus and selectable buttons and items.

ARTWORK

Our in-house designers can create unique menus, 3D animation, motion graphics, colourful and catchy disc faces and packaging.

APPROVAL AND SIGN OFF

We will supply you with a copy of the master of your discs, If ANYTHING is not to your liking or standard let us know, because once you approve and sign-off the disk is finalised.

DUPLICATE

The discs are duplicated by 'Burning' the data onto them. Duplication is ideal for short runs and fast turn around.

INKJET PRINTING is a quality matte 4 colour print suitable for simple graphics like logos or a catch phrase. Most suitable for max coverage of 25%.

THERMAL PRINTING

is a high-quality glossy print suitable for any kind of artwork and coverage, professional look.

PACKAGING

There is an array of options for packaging, from cardboard cases through to high quality plastic cases with the ability for photographic quality slicks.
